Menus at Fairville follow a vegetarian diet and include dairy products. For many young children, some of the foods will be new. Our policy is to encourage children to try unfamiliar food. All lunches are served with organic milk or water, optional bread, and a fruit or vegetable accompaniment. Snacks include a fruit or vegetable and are served with water. Grains and protein are part of the balance of the morning. Please consider the menu a "draft" as changes may be made based on availability of organic, locally grown or seasonal items. Please inform us if your child has food allergies.
